Material Symbols

fonts.google.com/icons

Google Fonts Icons offers free, customizable icons in various styles. Perfect for designers and developers.

The screenshot shows the Google Fonts Icons customization interface. On the left, there's a sidebar with 'Customize' settings for 'Fill' (with a slider from 100 to 700), 'Weight' (with a slider from 100 to 700), 'Grade' (with a slider from -25 (low) to 200 (high emphasis)), and 'Optical Size' (with a slider from 20px to 48px). Below these are 'Filter' dropdowns for 'Style' (set to 'Material Symbols (new)') and 'Category' (set to 'UI actions'). The main area displays a grid of Material Symbols. At the top of this grid are four informational cards: 'Material Design icon guidelines' (with a link), 'Figma plugin' (with a link), 'GitHub repo' (with a link), and 'Apache license' (with a link). Below these are several rows of icons labeled with their names: 'Search', 'Home', 'Menu', 'Close', 'Settings', 'Check Circle', 'Favorite', 'Add', 'Delete', 'Arrow Back', 'Star', 'Chevron Right', 'Logout', 'Arrow Forward', 'iOS', 'Add Circle', 'Cancel', 'Arrow Back iOS', 'Arrow Forward', 'Arrow Down', 'More Vert', and 'Check'. Each icon is accompanied by a small preview image and its name below it.

Lordicon
